Got a grocery store Club Card or Target Red Card? Have you designated Armstrong Elementary School on your cards for the 2011-2012 school year?

Every school year, thousands of dollars are lost because parents forget to re-register their grocery store Club Cards and re-set Armstrong as their designated school. Grocery store Club Cards only keep your designated school on file for one school year. It is up to YOU to re-register your cards and re-set Armstrong as your designated school each year!
